## Something is not right

---

Victoria arrived at the front door of her house, mentally exhausted after a long and demanding day at the office. She took her Oyster card from her pocket and brought it to the keyhole. Her brain was too tired to act immediately but deep inside she knew that something was not right.

## About The Author

Much of his writing falls within the genre of realistic fiction and his stories are more often than not based on real events in the author's life.
